WHEN TO GO

Season & rhythm

- How a Greece week actually runs.: Meltemi-aware legs, one Mykonos or Hydra quay night, and swim mornings in protected bays.
- Attica or island embark: Alimos / Flisvos or Tourlos - transfer timed, APA open.
- Island cadence: Paros / Naxos / Koufonisia or Saronic short hops - protect swim mornings.
- Tables locked: Nammos, Kiki's or Hydra tavernas held weeks out.
- Plan around the meltemi.: July-August northerlies shape Cyclades routing - captains build lee-shore options before deposit.
- North coasts: Skip when forecasts stack - we never invent calm.
- South / west bays: Default swim and overnight play in peak meltemi.
- Saronic / Ionian: Shorter hops when the Cyclades brief is wind-sensitive.

BEFORE YOU FLY

FAQ

Which Athens marina?

Alimos / Athens Marina / Flisvos - we match LOA and first-night plan.

ATH transfer?

Typically 35-55 minutes chauffeur - buffer traffic.

Saronic or Cyclades?

Saronic for short hops; Cyclades when meltemi-aware miles are acceptable.

Lead time?

4-10 weeks peak for preferred Attica slips.

Hydra overnight?

Often tender culture - hold quay only when confirmed.

Day charter?

Strong - Athens-Saronic day boats are a core product lane.

What does it cost to charter a yacht in Athens?

What it costs to charter a yacht in Athens tracks yacht size and peak weeks. Smaller crewed sailing yachts and cats start lower; superyachts scale into six figures. APA, local tax context (Greece often cites ~12% on qualifying charter - confirm itinerary and flag structure.) and berthing are confirmed in writing before deposit.

Which marina should we embark from in Athens?

We match embarkation to LOA, flight into ATH / JMK, and the first night's plan - often Flisvos Marina when available.

OPERATIONAL

Mooring notes

Tourlos Marina, Mykonos

Peak July-August scarce for larger LOA. 8-16 weeks high season. Party weeks and August densify Tourlos and old-port approaches. Hold Ornos / Psarou tender plans; don't promise old harbour overnight for megayachts.

Athens Marina / Flisvos

Practical Attica embark - busier than island quays. 4-10 weeks peak. Athens events densify road transfers more than berths. Default Cyclades / Saronic start - ATH door-to-deck is the cleanest mainland play.

Gouvia Marina, Corfu

Easier than Cyclades peak - still book ahead July-August. 4-8 weeks peak. August family density; shoulder is flexible. Ionian embark hub - Paxos and Lefkada within short legs.

Berth fees, APA budgets and event lead times are indicative and move with LOA, season and harbour policy. Blue Ocean Club confirms live figures in writing before deposit. Not a substitute for captain pilotage or marina contracts.
