NUMBERS - CYPRUS

VAT & APA - Cyprus short version.

On a Cyprus charter the base fee is only the starting line. Budget tax treatment and a realistic APA before you lock dates.

VAT / tax

Cyprus applies EU VAT rules; yacht charter VAT treatment follows commercial yacht status and embarkation - confirm local marina dues separately.

APA

For Cyprus in high season, budget APA at roughly 25-35% of the base charter fee covering fuel, berths, food and concierge extras.

What we send PAs

A line-item estimate before deposit, then a live APA report from the captain during the week.
