FAQ

When is the best time for yacht charter in Honolulu?

Shoulder months in Pacific usually balance weather and berth availability for Honolulu near Ala Wai Harbor.

Which marina should we embark from in Honolulu?

Ala Wai Harbor is the primary embarkation for Honolulu, with anchorage fallbacks when LOA or events block the preferred quay.

How far ahead should we book berths in Honolulu?

For peak season around Honolulu, 4-12 weeks is typical for larger yachts; shoulder season is more flexible. We open the berth conversation with the yacht shortlist.

What does APA usually cover on a Honolulu charter?

Fuel, berthing, food and beverage, and most guest concierge extras. For Honolulu we set an honest APA band before contract - not a vague percentage.

Can you arrange airport transfers into Honolulu?

Yes - chauffeur and helicopter where available from HNL / OGG, timed to the embarkation slot at Ala Wai Harbor.

How does a Honolulu week use Ala Wai & Waikiki?

Ala Wai & Waikiki is a core Honolulu pocket - we sequence Ala Wai Harbor nights and day-anchors so the week feels unhurried. Honolulu sits inside Hawaii as a focused stop, not a duplicate of the country hub.
