NUMBERS - JUNEAU

VAT & APA - Juneau short version.

On a Juneau charter the base fee is only the starting line. Budget tax treatment and a realistic APA before you lock dates.

VAT / tax

Alaska yacht charter follows US tax rules (no EU VAT); park permits, pilotage and remote logistics dominate cost more than tax.

APA

For Alaska in high season, budget APA at roughly 25-35% of the base charter fee covering fuel, berths, food and concierge extras.

What we send PAs

A line-item estimate before deposit, then a live APA report from the captain during the week.

Fuel, berthing, food and beverage, and most guest concierge extras. For Juneau we set an honest APA band before contract - not a vague percentage.

How does a Juneau week use Tracy Arm & Sawyer Glacier?
