Svolvær harbour, Lofoten is the primary embarkation for Lofoten, with anchorage fallbacks when LOA or events block the preferred quay.

How far ahead should we book berths in Lofoten?

For peak season around Lofoten, 4-12 weeks is typical for larger yachts; shoulder season is more flexible. We open the berth conversation with the yacht shortlist.

What does APA usually cover on a Lofoten charter?

Fuel, berthing, food and beverage, and most guest concierge extras. For Lofoten we set an honest APA band before contract - not a vague percentage.

Can you arrange airport transfers into Lofoten?

Yes - chauffeur and helicopter where available from BGO / TOS, timed to the embarkation slot at Svolvær harbour, Lofoten.

How does a Lofoten week use Lofoten wall?
