VAT / tax

Oman applies VAT (typically 5%) on many services; yacht charter tax treatment depends on local licensing - confirm berthing and APA separately.

APA

For Oman in high season, budget APA at roughly 25-35% of the base charter fee covering fuel, berths, food and concierge extras.

What we send PAs

A line-item estimate before deposit, then a live APA report from the captain during the week.

FAQ

When is the best time for yacht charter in Muscat?

Shoulder months usually balance weather, water and berth availability for Muscat. Peak midsummer adds density and premium quay pricing at Al Mouj Marina, Muscat.

Which marina should we embark from in Muscat?

Al Mouj Marina, Muscat is the primary embarkation for Muscat, with anchorage fallbacks when LOA or events block the preferred quay.

How far ahead should we book berths in Muscat?

For peak season around Muscat, 4-12 weeks is typical for larger yachts; shoulder season is more flexible. We open the berth conversation with the yacht shortlist.

What does APA usually cover on a Muscat charter?

Fuel, berthing, food and beverage, and most guest concierge extras. For Muscat we set an honest APA band before contract - not a vague percentage.

Can you arrange airport transfers into Muscat?

Yes - chauffeur and helicopter where available from MCT / SLL, timed to the embarkation slot at Al Mouj Marina, Muscat.

How does a Muscat week use Muscat & Daymaniyat?

Muscat & Daymaniyat is a core Muscat pocket - we sequence Al Mouj Marina, Muscat nights and day-anchors so the week feels unhurried. Muscat sits inside Oman as a focused stop, not a duplicate of the country hub.
