OPERATIONAL

Mooring notes

Atlantis Harbour

Busy in winter holidays. 6-12 weeks peak winter; longer for holidays. Christmas / New Year densify Paradise Island. Scene embark - confirm LOA and services.

Albany Marina

Megayacht-capable - still book ahead in peak. 6-12 weeks winter peak. Holiday weeks. New Providence working hub for serious LOA.

Staniel Cay Yacht Club

Popular Exumas hinge - limited. Hold peak winter nights early. Holiday densifies. Day-anchor + club tender often smarter than forcing a full week dockside.

Berth fees, APA budgets and event lead times are indicative and move with LOA, season and harbour policy. Blue Ocean Club confirms live figures in writing before deposit. Not a substitute for captain pilotage or marina contracts.
