NUMBERS - OKINAWA

VAT & APA - Okinawa short version.

On a Okinawa charter the base fee is only the starting line. Budget tax treatment and a realistic APA before you lock dates.

VAT / tax

Japan applies consumption tax on yacht charter; marina access for foreign-flagged yachts can be paperwork-heavy - use a local agent.

APA

For Japan in high season, budget APA at roughly 25-35% of the base charter fee covering fuel, berths, food and concierge extras.

What we send PAs

A line-item estimate before deposit, then a live APA report from the captain during the week.
