FAQ

When is the best time for yacht charter in Paros?

Shoulder months in Mediterranean usually balance weather and berth availability for Paros near Marina of Paros.

Which marina should we embark from in Paros?

Marina of Paros is the primary embarkation for Paros, with anchorage fallbacks when LOA or events block the preferred quay.

How far ahead should we book berths in Paros?

For peak season around Paros, 4-12 weeks is typical for larger yachts; shoulder season is more flexible. We open the berth conversation with the yacht shortlist.

What does APA usually cover on a Paros charter?

Fuel, berthing, food and beverage, and most guest concierge extras. For Paros we set an honest APA band before contract - not a vague percentage.

Yes - chauffeur and helicopter where available from JMK / PAS, timed to the embarkation slot at Marina of Paros.

How does a Paros week use Central Cyclades?

Central Cyclades is a core Paros pocket - we sequence Marina of Paros nights and day-anchors so the week feels unhurried. Paros sits inside Cyclades as a focused stop, not a duplicate of the country hub.
