FAQ

When is the best time for yacht charter in Rodney Bay?

Shoulder months usually balance weather, water and berth availability for Rodney Bay. Peak midsummer adds density and premium quay pricing at Rodney Bay Marina.

Which marina should we embark from in Rodney Bay?

Rodney Bay Marina is the primary embarkation for Rodney Bay, with anchorage fallbacks when LOA or events block the preferred quay.

How far ahead should we book berths in Rodney Bay?

For peak season around Rodney Bay, 4-12 weeks is typical for larger yachts; shoulder season is more flexible. We open the berth conversation with the yacht shortlist.

What does APA usually cover on a Rodney Bay charter?

Fuel, berthing, food and beverage, and most guest concierge extras. For Rodney Bay we set an honest APA band before contract - not a vague percentage.

Can you arrange airport transfers into Rodney Bay?

Yes - chauffeur and helicopter where available from UVF / SLU, timed to the embarkation slot at Rodney Bay Marina.

How does a Rodney Bay week use Rodney Bay & Pigeon Road?

Rodney Bay & Pigeon Road is a core Rodney Bay pocket - we sequence Rodney Bay Marina nights and day-anchors so the week feels unhurried. Rodney Bay sits inside St Lucia as a focused stop, not a duplicate of the country hub.
