NUMBERS - SARANDË

VAT & APA - Sarandë short version.

On a Sarandë charter the base fee is only the starting line. Budget tax treatment and a realistic APA before you lock dates.

VAT / tax

Albania is outside the EU; yacht entry requires customs clearance and cruising permits - VAT/tax on charter depends on where the yacht is commercially based.

APA

For Albania & Ionian Gate in high season, budget APA at roughly 25-35% of the base charter fee covering fuel, berths, food and concierge extras.

What we send PAs

A line-item estimate before deposit, then a live APA report from the captain during the week.

FAQ

When is the best time for yacht charter in Sarandë?

Shoulder months usually balance weather, water and berth availability for Sarandë. Peak midsummer adds density and premium quay pricing at Sarandë Harbour.

Which marina should we embark from in Sarandë?

Sarandë Harbour is the primary embarkation for Sarandë, with anchorage fallbacks when LOA or events block the preferred quay.

How far ahead should we book berths in Sarandë?

For peak season around Sarandë, 4-12 weeks is typical for larger yachts; shoulder season is more flexible. We open the berth conversation with the yacht shortlist.

What does APA usually cover on a Sarandë charter?

Fuel, berthing, food and beverage, and most guest concierge extras. For Sarandë we set an honest APA band before contract - not a vague percentage.

Can you arrange airport transfers into Sarandë?

Yes - chauffeur and helicopter where available from TIA / CFU, timed to the embarkation slot at Sarandë Harbour.

How does a Sarandë week use Albanian Riviera?

Albanian Riviera is a core Sarandë pocket - we sequence Sarandë Harbour nights and day-anchors so the week feels unhurried. Sarandë sits inside Albania & Ionian Gate as a focused stop, not a duplicate of the country hub.
