WHEN TO GO

Season & rhythm

- How a Tuscan Archipelago week actually runs.: A choreographed operation - Marina di Campo, tenders and tables locked before wheels-down.
- Embark ready: APA open, crew briefed, transfer timed to Marina di Campo.
- Coastal cadence: Morning toys at Golfo Stella, held lunch, short reposition through Elba circuit, quiet overnight.
- Concierge lock: Affrichella and Fetovaia / Cavoli beach clubs confirmed weeks out.
- When to berth. When to anchor.: In Tuscan Archipelago, quay nights buy access; hook nights buy privacy.
- Quay nights: Harbour energy at Marina di Campo, walk-ashore dinners, event visibility.
- At anchor: Golfo Stella - swim platforms, quiet mornings, tender-only shore calls.
- The usual play: One or two quay nights; the rest swinging in protected water.
