VIRGIN GORDA

Overview

Virgin Gorda yacht charter hinges on North Sound and The Baths - Leverick Creek nights, early tender culture for the granite pools, and mooring-ball discipline in peak winter. Embark remains Tortola for most programmes.

WHEN TO GO

Season & rhythm

- How a BVI week actually runs.: Short sails, snorkel mornings, one North Sound night, one Jost beach afternoon.
- Tortola embark: EIS transfer, APA open, safety brief.
- Island hops: Norman / Peter / Virgin Gorda - light miles.
- Beach bars: Soggy Dollar / Leverick held when the brief wants them.
- Balls by default; quay when it earns it.: Most refined weeks mix mooring balls with one or two marina nights.
- Village Cay / Nanny Cay: Embark, fuel, provisioning.
- North Sound: Virgin Gorda overnight energy.
- Norman / Cooper: Snorkel and swim-platform days.

BEFORE YOU FLY

FAQ

Where do we overnight?

North Sound / Leverick is the classic hinge - hold peak nights early.

Baths timing?

Early tender before dayboats - not a late-morning plan.

Embark on Virgin Gorda?

Unusual - most weeks start Tortola (EIS).

New Year?

Treat North Sound like an event week.

Anegada add-on?

Weather and draft willing - longer leg for the right brief.

Moorings?

Peak winter benefits from early holds - captains confirm VHF.

What does it cost to charter a yacht in Virgin Gorda?

Yacht charter cost in Virgin Gorda depends on LOA, season and hull class. As an indicative band, crewed motor yachts often sit from the mid five-figures per week upward before APA (typically ~25-35% of base for fuel, berthing and provisions), VAT where applicable, and crew gratuity. We set an honest range before contract - not a fake nightly rate.

OPERATIONAL

Mooring notes

Village Cay Marina

Busy in peak winter and holiday weeks. 6-12 weeks winter peak; longer for New Year. Holidays densify Road Town berths. Practical Road Town embark - provisioning and crew access.

Nanny Cay Marina

Full-service - still book ahead in peak. 6-12 weeks winter peak. Regatta and holiday weeks. Yard + berth hub - strong for technical stops.

Leverick Creek / North Sound

Popular overnight - mooring culture. Hold preferred nights early in peak. New Year North Sound is an event week. Virgin Gorda hinge - combine with Baths day-stop.

Berth fees, APA budgets and event lead times are indicative and move with LOA, season and harbour policy. Blue Ocean Club confirms live figures in writing before deposit. Not a substitute for captain pilotage or marina contracts.
