## **Berthing FAQ**

---

### **Why plan a Porto Montenegro berth with Blue Ocean Club?**

Tivat Adriatic hub - we hold peak slips, anchorage fallbacks and door-to-deck transfers before you fly, with APA line-items before deposit. This is a charter berthing guide, not a marina booking desk.

### **How do I embark at Porto Montenegro?**

Confirm quay / pontoon with the captain the morning of embarkation after your TIV arrival. We brief the chauffeur on the correct marina gate - not a generic harbour drop.

### **Can I berth a yacht at Porto Montenegro?**

Yes when LOA, draft and event weeks allow. 4-12 weeks for peak season slips Blue Ocean Club opens the berth conversation with the yacht shortlist for Tivat.

### **What does berthing cost at Porto Montenegro?**

Porto Montenegro berth fees move with demand. Blue Ocean Club holds an indicative band for your LOA and dates, then locks the written quote before APA is set for the Tivat week.

### **Is yacht charter available from Porto Montenegro?**

Boat charter and crewed yacht charter both use Porto Montenegro as a working berth when LOA fits. We match hull class to quay politics and your itinerary.

### **How far ahead should we book a berth at Porto Montenegro?**

4-12 weeks for peak season slips

### **What is the practical embarkation airport for Porto Montenegro?**

Typical TIV quay timing: 10-20 min from TIV. Timed to embarkation, not a taxi scramble.

### Can we overnight at anchor instead of taking a quay night?

Tivat bay is a common alternative when the quay is full - captains confirm holding and shelter before committing.

*Indicative guidance - some berth fee notes are labelled draft. Live rates move with LOA, season and events. Blue Ocean Club confirms in writing before deposit. No invented phone numbers or reviews. Not a substitute for captain pilotage or marina contracts.*
